

Surgical Technology Information Sessions

Have you ever asked yourself one of these questions:

What is a Surgical Technologist?

What education do I need to become one?

Where do Surgical Technologists work?

What do Surgical Technologists do?

Can I earn a good living as a Surgical Technologist?

If you have, you are in luck. STCC's Surgical Technology program is having two information sessions to answer these and any other questions you might have about becoming a Surgical Technologist.

When?

5/1 3-4 pm

5/7 10-11 am

Where?

Building 20/319

Building 20/319

The sessions are for everybody: first time college students, transfer students, current STCC students in other majors, working folks who want to come back to school or anyone who wants to do something different and make a difference in people's lives when they are having surgery.

There is no need to sign up - just show up.

We are still taking applications for Fall 2008. Come and hear what it is all about.
